
NATURESCAPE Scents from the Ambius Microfresh scenting solution.

Woodlands: The scent of fresh evergreens and crisp pine needles, capturing hints of newly blossomed herbs of sage and thyme. Reminiscent of a Spring time walk through the woods.

Marine Fresh: Smell the waves crashing to the shore with notes of ocean spray, bergamot, dune grass, and cedar.

Aqua Blue: Invigorate the senses with this modern and aromatic blend of bergamot, menthe, and oakmoss with hints of woods.

Green Grass: The smell of fresh cut grass evokes open windows on a summer day. Notes of bright green grass are sweetened with light floral breeze and neroli to create an authentic blend.

Fresh Water: Cool marine scent of aloe with dewy green notes. A green floral note of Lily-of-the-valley rounds out this smooth and comforting fragrance.

Saw Grass: The earthy, sweet, and distinct scent of saw grass, smells like a warm southern day with hints of lemongrass, rose, and sandalwood.
